Corporate Gifts by Paul Smith

Whether you're marking a milestone event, acknowledging your team's hard work, boosting your brand presence, or fostering connections with new clients, we can create bespoke items which reflect the creativity of design and commitment to quality that Paul Smith is known for.

Personal Touch

From monogrammed leather wallets to personalised cashmere scarves, our items can be made unique to fit the exact needs of the occasion and ensure a memorable, thoughtful touch.

Trust us to translate your vision into a reality.

Beautiful stationery will always make an excellent gift. Consider high-quality notebooks with vibrant Signature Stripe covers and gold foil edging. Caran d'Ache pens are a personal favourite of Sir Paul's, known for their impeccable Swiss design.

Stationery

Executive Essentials

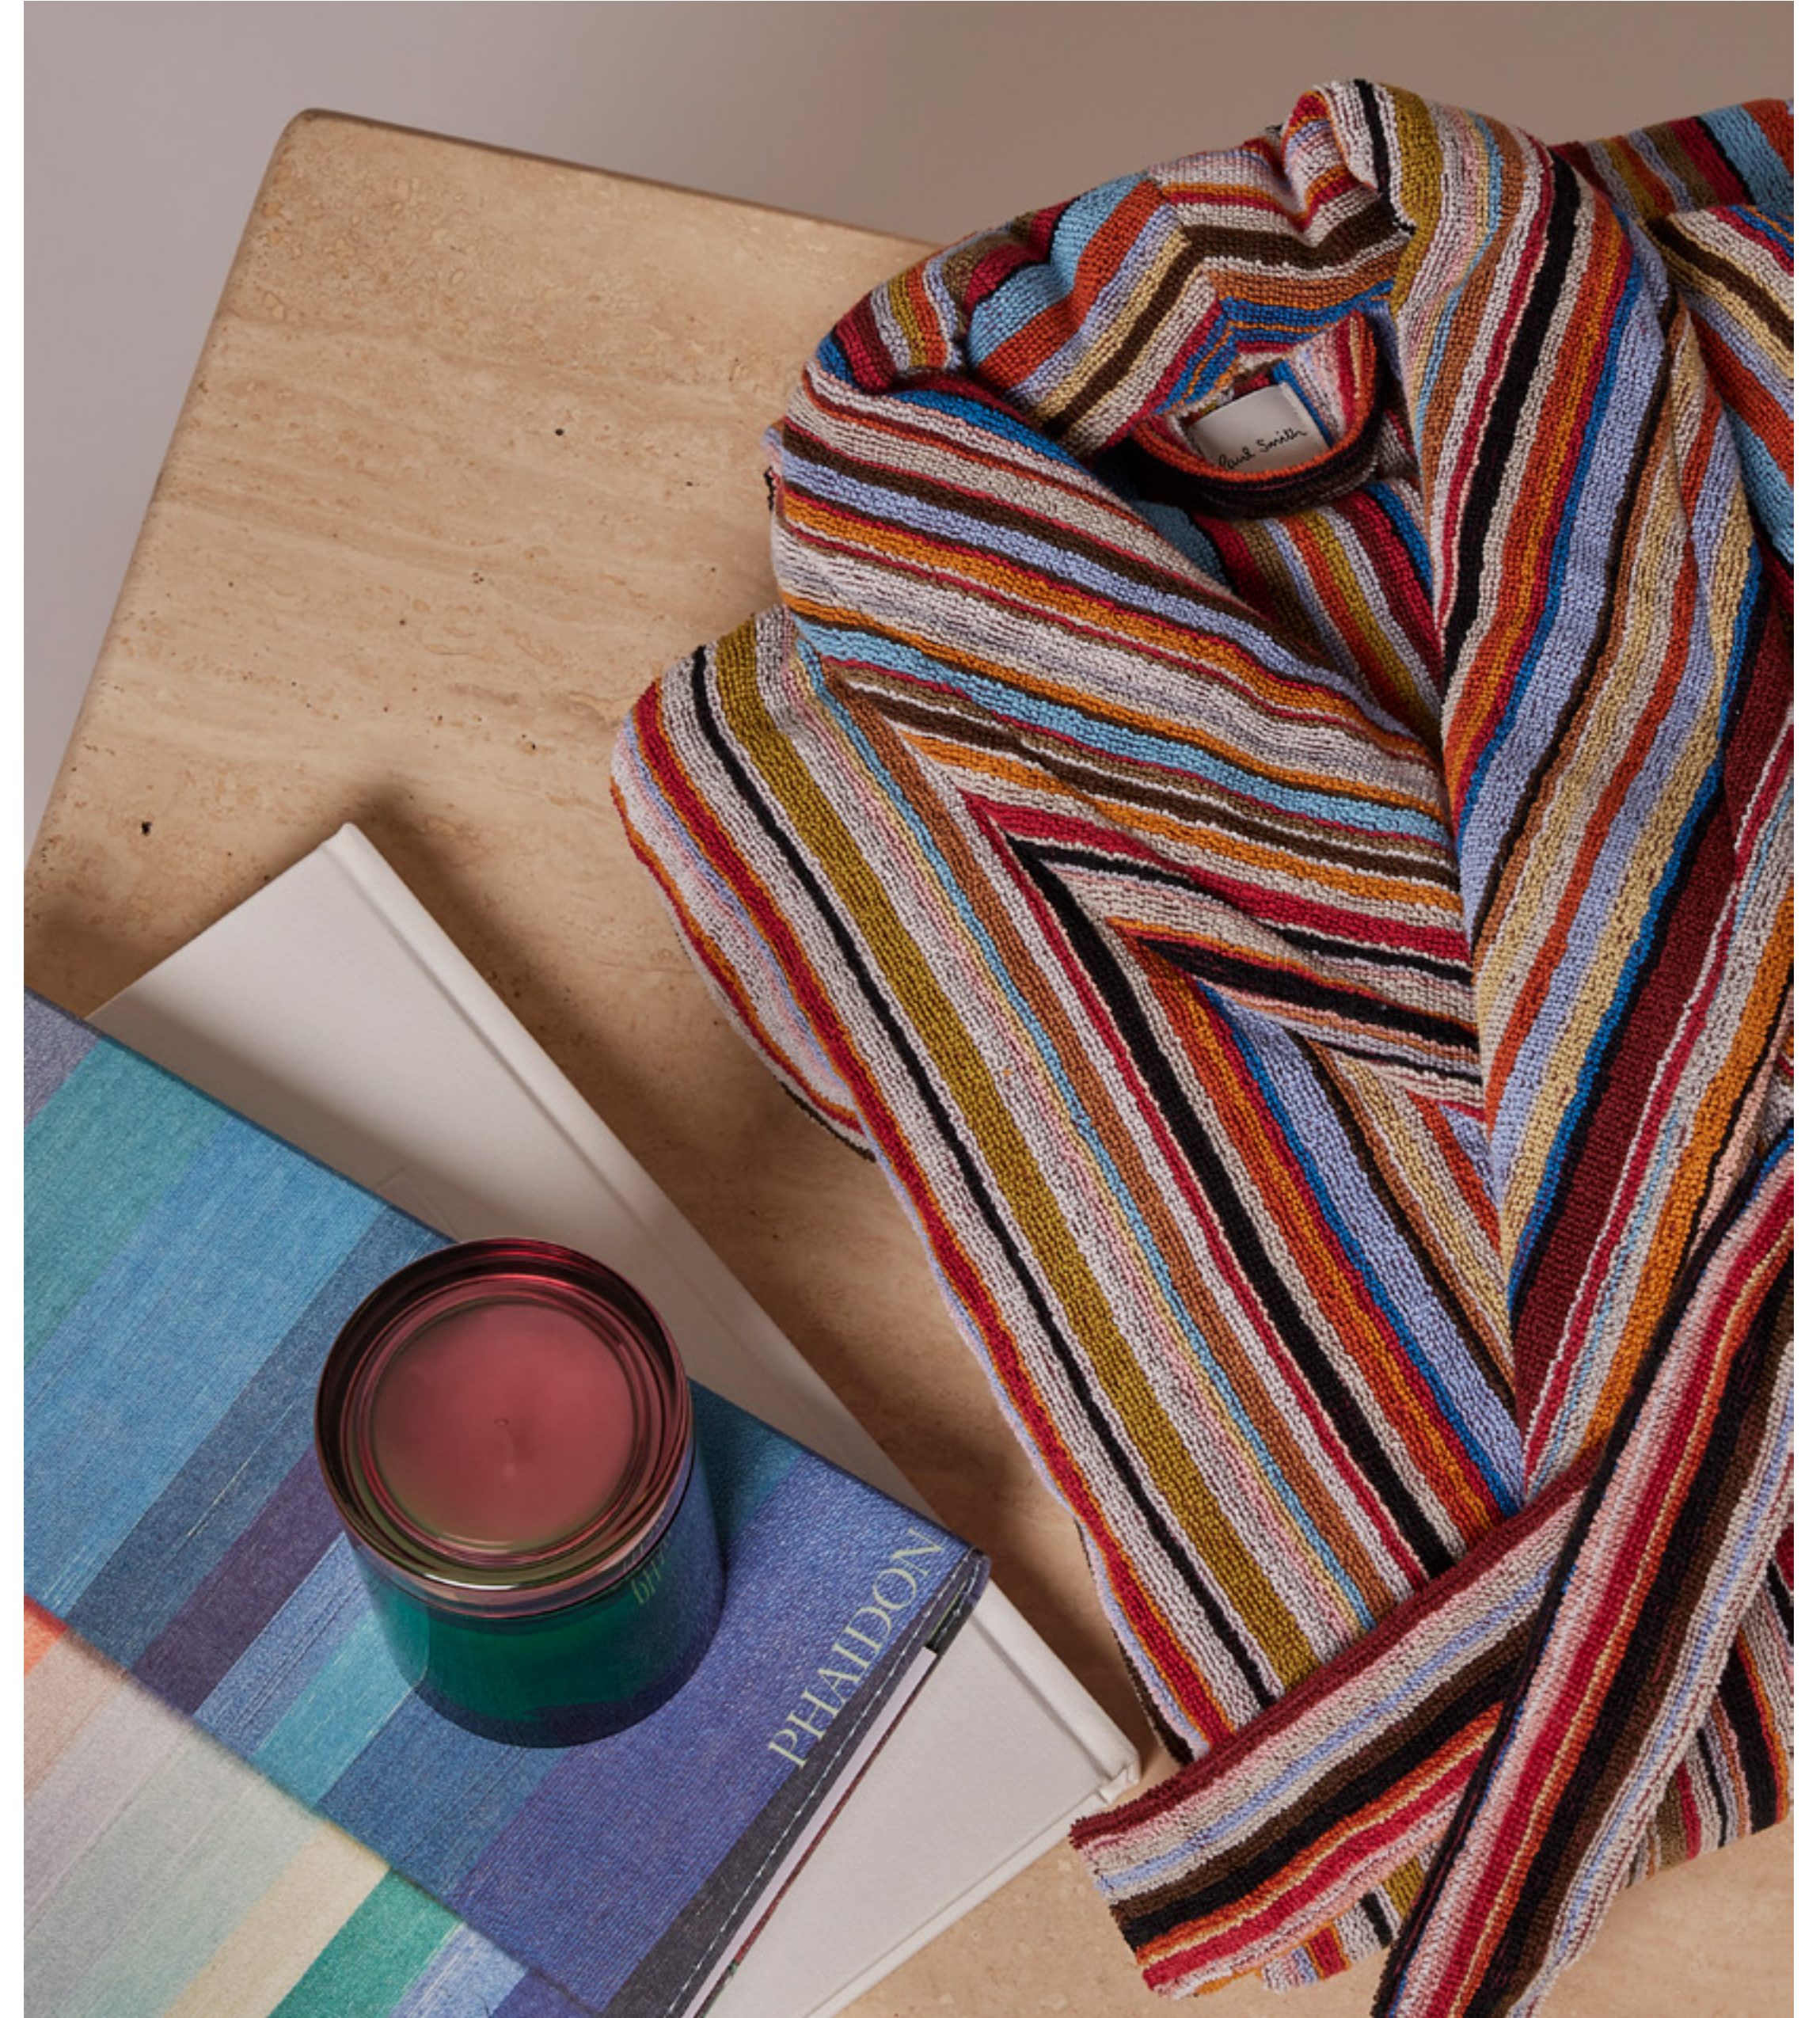

Luxurious gifts designed with professionals in mind, including leather wallets and sleek folio bags. These items offer the practicality needed to smoothly weather the rigours of travel, while retaining the unmistakable character of a Paul Smith product.

Desk Accessories

Choose from our selection of candles and diffusers and give the gift of an evocative, carefully formulated fragrance. Or, peruse our popular Paul Smith mugs, each one featuring a brightly coloured design.

Homeware

The Paul Smith gifting offer is packed with items that bring the brand's trademark visual style into the home, from towels and dressing gowns to ornaments, diffusers, and more.

Give the gift of warmth with our range of cosy scarves and socks. Since the earliest days of the brand, the striped sock has been something of a Paul Smith calling card, and remains a popular, eye-catching accessory.

Stocking Fillers

The festive season is the perfect time to reward your team for another year of hard work and accomplishment. Our stocking filler selection comprises thoughtful, beautiful items to be cherished for years to come, including Signature Stripe baubles, Caran d'Ache pens, and – that most quintessential of yuletide gifts – socks.

Leather Goods

Sophisticated, practical, and timeless, leather goods make great gifts for a reason. Our range runs from smaller items like keyrings and wallets, to more impressive pieces such as handbags and briefcases, allowing you to choose the perfect item for the occasion.

Bespoke Commissions

Manchester United

You can also add your company's branding to items through our gifting service. We offer a multitude of personalisation options, from custom fabric labels and branded swing tickets, to fully bespoke items.
